### 2017 – 2018 School Year

Educators in the Dawson County School System take pride in the educational opportunities they provide your children. The staff is committed to seeking continually to improve instruction and all components of the school's educational process.

It is hoped that as a parent you will become involved in our improvement efforts as we continue to set high expectations and to monitor student achievement. You are encouraged to get to know your child's teacher and the class routines and expectations.

In compliance with the requirements of the Elementary and Secondary Education Act of 1965 as amended through P.L. 114-95, enacted December 10, 2015, the Dawson County School District would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and paraprofessionals. We are proud of the professional credentials of Dawson County's teaching staff and are prepared to furnish to you upon request the professional qualifications of any of your child's teachers. The information you may obtain includes the following:

Whether the student's teacher...

- has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- is teaching under an emergency or other provisional status through which the State qualification or licensing criteria have been waived; and
- is teaching in the field of discipline of certification of the teacher.

Further, you may know the qualifications of any paraprofessional who provides services to your child.

To request any of the above information, please contact Lisa Perry, Chief Human Resources Officer, at [lperry@dawson.k12.ga.us](mailto:lperry@dawson.k12.ga.us) or at (706) 265-3246, extension 1017. You may also contact your child's principal at the number or email shown on the left. We hope that this year will be a productive one for your child.

Sincerely,

A handwritten signature in blue ink that reads "Janice Darnell".

Dr. Janice Darnell  
Director of Student Support
